

# April Spoil

Add fab decor to your home!

Furnishing your home (beautifully) with a click of a button. Internet shopping has revolutionised the way we shop, and shopping for our homes has never been easier. Particularly with online stores like **NetDécor**, without a doubt one of our faves. You'll find everything from elegant buttoned bed ends and headboards to lamps and shades, from the most amazing range of soft furnishings (best scatters ever) to outdoor furniture... and absolutely everything in-between. We've been looking for the perfect ceramic drums... and found them (no surprise) on NetDécor. Sourcing inspiration both locally and around the globe, the website is carefully and meticulously curated to offer a variety of items that is elegant, functional, unique and stylish. So browse, select and it'll be delivered to your door. So stylish, so easy. Details: [www.netdecor.co.za](http://www.netdecor.co.za).

## Want to win?

We've got a ceramic drum to give away to one lucky reader. Simply send your daytime contact details to [competitions@getitlowveld.co.za](mailto:competitions@getitlowveld.co.za) with the word NetDécor in the subject line to reach us by noon, April 28. Terms and conditions apply.
